

plays the trumpet in the marching band and the French horn in the school's concert band. He is also a member of the cross-country team and participates in track and field, where he shines in sprint relays, hurdle events, and the long jump. His ability to balance school, athletics, and Boy Scouts is truly remarkable.

Furthermore, Jakob is preparing for a future in computer programming. Like many kids his age, he loves playing video games and is interested in becoming a video game programmer. Additionally, he is part of his school's robotics club and programs robots to compete in challenging competitions. With such extensive experience at a young age, I am confident Jakob will have a bright future as a computer programmer.

Jakob is responsible and dependable and understands the importance of his family, friends, and community. Boy Scouts has had a positive impact on his life, and I know that he will serve as an excellent role model for other members of his family and friends.

In closing, I ask my colleagues and all Nevadans to join me in congratulating this new Nevada resident, my nephew Jakob Heller. I cannot be more proud of this young man, and I look forward to witnessing his many contributions to our community in the years ahead.●

#### MONROE COUNTY BICENTENNIAL

● Ms. STABENOW. Mr. President, today I wish to pay special tribute to Monroe County, MI, which is celebrating its bicentennial this year.

Located on the shores of Lake Erie, Monroe County was founded on July 14, 1817. It is named in honor of President James Monroe, who visited the Michigan Territory in August 1817, shortly after the county's founding. The county has the proud distinction of being the second county founded in Michigan.

The people of Monroe are proud of their history. This history has inspired generations of hard-working and fiercely independent people who are committed to preserving their history, protecting their natural resources, and innovating for their future.

Monroe County is home to the River Raisin National Battlefield Park,

which commemorates the January 1813 battles of the War of 1812. The battles marked one of the greatest defeats for the United States during the war, and the rally cry, "Remember the Raisin" inspired support for the rest of the war. I was honored to help lead the effort in Congress with Congressman Dingell and Senator Levin to pass the legislation that made the park part of the National Park System. The park has now become an economic driver, attracting economic development to the surrounding area.

Monroe County is also home to La-Z-Boy Furniture, the inventors of the world's first reclining chair. The company was founded in 1927 and employs more than 6,300 people nationwide. The corporate headquarters is still based in Monroe.

One of the most famous Monroe County residents is General George Armstrong Custer, who spent much of his life in Monroe. One of the youngest Americans to ever be promoted to brigadier general, Custer is known for his successes during the Civil War and his death at the Battle of the Little Bighorn, also known as Custer's Last Stand.

As a leader of the Senate Agriculture Committee, I am especially proud of Monroe County's agricultural heritage. The county has over 270 historic farms—the most of any county in Michigan.

Numerous events and celebrations have been planned in the county throughout the year to mark this special milestone. Congratulations to Monroe County on 200 years of impressive history, growth, and success.●
